

## Tackling Food Crises

## Building resilience

### Supporting people in crisis

#### What are we doing?

Food Banks—also provide wider support eg budget/benefit advice

Drop in kitchens

Emergency cash or vouchers

Other eg for furniture or equipment

Awareness raising of available support

*What else?*

#### What could we do?

Fuel Banks

*What else?*

### Low cost food for vulnerable groups

#### What are we doing?

Holiday food provision and breakfast clubs

Community cafes

Low cost home delivery models or buying buddies

Learning Kitchens

*What else?*

#### What could we do?

Social supermarkets, community pantries or co-operatives

*What else?*

### Protecting people from hunger

#### What are we doing?

Learning kitchens

Cooking skills and access to means to cook

Community food growing, allotment take up

Boosting uptake of Healthy start vouchers

*What else?*

#### What could we do?

Using food to provide skills, employability attributes.

Challenging low wage culture—especially less than living wage

### Building food security

#### What are we doing?

Resourcing and implementing the Eat Well action plan

Listening to experts by experience

*What else?*

#### What could we do?

Resource school support to feed all, access to free school meals for all

Improving council tax debt collection practices

Calling out unfair/unjust practices

Ensuring surplus food/goods used in communities
